

Partner with us today to customize your live, onsite event! Our expert consultants will review your student cohort data and curricular outcomes to create a program including a combination of any of the following options to create a path to success.

1 or 2 Days Onsite — Develops prioritization habits for clinical reasoning with the NurseThink™ system. Designed to implement early or mid-program as an NCLEX® PreView, or as an end of program NCLEX® ReView.

- Build critical thinking skills
- Focus on clinical continuously
- Students learn “what they don’t know”
- Students experience “prioritization power”
- 300 NCLEX® Test Items – Critical Thinking Primers
- 21 Conceptual Modules – Critical Thinking Primers
- Up to 200 students can attend the session (Larger groups negotiable)
- Faculty Critical Thinking Tune-up (One hour live online event)

One Day — \$3950 + expenses

Two Consecutive Days — \$5850 + expenses

* Expenses include travel expenses, printing, shipping, technology, onsite facilities, etc.

Optional Services/Items

- **Live Virtual Video Mentor Weekly** — Live presentation offered twice a week with recordings available for those unable to attend the live on-line sessions. Presentation is student-centered incorporating a variety of life and learning strategies. If Saunders Comprehensive Review for the NCLEX® is adopted, student progress will be tracked by the virtual mentor.

Live Virtual Mentor up to 50 students -- \$4950 for 10 weeks

- **NurseThink™ Notes** — For students to use in all courses before/after the onsite live PreView.

\$40 plus shipping

- **NCLEX® RN Study Guide** and accompanying online quizzing (Saunders Comprehensive Review for the NCLEX®)

\$75 PN or RN plus shipping
