

MAKING A DIFFERENCE IN HAITI

Each year, NurseTim partners with Haiti Nursing Foundation and takes life-changing trips to serve in Haiti. Here are some of the SUSTAINABLE projects being developed through partnerships with the #1 nursing school in Haiti:

1 19 ORGANIZATIONS

Students, nurses and faculty from 19 different organizations traveled to Haiti to provide training and care.

2 OVER 3,200 PATIENTS

The NurseTim teams provided direct health care to over 3,200 patients.

3 CHILD SCREENINGS

645 children received vision-hearing screens and had growth charts started. Two teens received glasses and 18 children received home visits with food assistance.

4 TRAINING

142 teachers and health workers received training. This gives over 13,800 villagers in remote areas access to CPR/1st Aid.

5 NURSING SUPPLY KITS

370 Haitian Nurses were given supply kits.

6 ACADEMIC COLLABORATION

The teams collaborated with over 90 Haitian nursing students.

7 TUITION

Provided 12 months of tuition for 11 Haitian nursing students.

8 NUTRITION

Fed 91 families for an entire month.

9 FARMING

Started goat and rabbit farms for 13 families and 1 orphanage.

10 SCHOOL SUPPLIES

195 Haitian Nursing Students were given backpacks with school supplies.
